This section applies to Application for Review of Final Grade only

The following are the **only** available grounds for Application of Review of Final Grade under *Federation University Australia (Student) Regulations 2022*

I am appealing my grade for this Unit on the following grounds: **You must tick at least one box**

Tick

- 1 Failure of the Unit Description and accompanying assessment materials to be explicit in identifying the learning tasks the students are required to complete in the Unit.
- 2 Failure of the Unit Description and accompanying assessment materials to be explicit in identifying how students will be assessed.
- 3 Failure of the assessors to comply with the assessment procedures set out in the Unit Description and accompanying assessment materials.
- 4 Failure to fairly and appropriately apply the criteria set out in the Unit Description and accompanying assessment materials.

If your appeal does not meet any of above grounds or you fail to provide verifiable evidence, your appeal may be dismissed.

Statement of appeal: This statement should outline specifically how there was a failure in the selected grounds (above)
