Sexual consent
= Respect

Sexual consent is:

F

FREELY GIVEN

... this means without force or coercion.

R

REVERSIBLE

... you can change your mind at any time.

I

INFORMED

... know what the boundaries are.

E

ENTHUSIASTIC

... consent is not just the presence of a yes or the absence of a no.

S

SPECIFIC

... to the time and to the act.

Preventing gender-based violence starts with a culture of respect – now and always.
