

## 2021 maximum student contribution amounts for a student place (equivalent full-time student load)

Maximum student contribution amounts are based on a standard, full-time enrolment for a calendar year (120 credit points/1 EFTSL) with all courses (subjects) in the same band. The student contribution you pay will depend on how many courses you enrol in, the study load of the courses and the bands under which each course falls. Courses are grouped into bands by their field of education and each band has a different student contribution amount set by the Australian Government each year.
