2018 International Student Tuition Fees

Federation UNIVERSITY·AUSTRALIA

Important information

> All fees are quoted in Australian Dollars (AUD$) and apply to FedUni Australian campuses and teaching locations

> Program and fee information applies to students commencing studies between 1 January and 31 December 2018

> Program annual fees are based on a full-time study load (1 EFTSL / 120 credit points) in the same calendar year

> Semester fees are based on a full-time study load and the final tuition fee payable each semester will be determined by your course enrolments

> Fees are held fixed for each calendar year 1 January until 31 December

> Fees are reviewed on an annual basis and may increase in the following calendar year - fee increases are applied at the beginning of each calendar year

> The semester fee is an estimate only as fees may increase in future years - the amount you must pay is the tuition fee which has been approved for the calendar year in which the semester falls

> Programs on offer are subject to change at the discretion of the University - refer to federation.study.edu.au for current information on program offerings and entry requirements

> For all programs listed students will be charged an additional tuition fee where a course needs to be repeated

> EFTSL = Equivalent Full Time Study Load (1 EFTSL = 120 credit points i.e. 8 courses x 15 credit points)
