2018 Domestic Postgraduate Fee Paying Tuition Fees

Important information

- > Program and fee information applies to fee paying students commencing studies between 1 January and 31 December 2018
- > Program annual fees are based on a full-time study load (1 EFTSL / 120 credit points) in the same calendar year
- > Semester fees are based on a full-time study load (60 credit points) and the final tuition fee payable each semester will be determined by your course enrolments
- > Fees are held fixed for each calendar year 1 January until 31 December
- > Fees are reviewed on an annual basis and may increase in the following calendar year - fee increases are applied at the beginning of each calendar year
- > The semester fee is an estimate only as fees may increase in future years - the amount you must pay is the tuition fee which has been approved by FedUni for the calendar year in which the semester falls
- > Programs on offer are subject to change at the discretion of the University - refer to federation.study.edu.au for current information on program offerings and entry requirements
- > For all programs listed students will be charged an additional tuition fee where a course needs to be repeated
- > EFTSL - Equivalent Full Time Study Load (1 EFTSL = 120 credit points i.e. 8 courses x 15 credit points)
