- > All fees are quoted in Australian Dollars (AUD\$) and apply to FedUni Australia onshore campuses and teaching locations only
- > Course and fee information applies to students studying between 1 January and 31 December 2024
- > Fees are reviewed on an annual basis and may increase in the following calendar year
- > Equivalent Full Time Student Load (EFTSL) is a measure of study load for a full year when undertaking a course on a full-time basis (120 credit points = 1 EFTSL i.e. 8 units x 15 credit points)
- > Course annual fees are based on a full-time study load (1 EFTSL / 120 credit points) in the same calendar year
- > Semester fees are based on a full-time study load (0.5 EFTSL / 60 credit points) and the final tuition fee payable for a semester will be determined by unit enrolments
- > The semester fee is an estimate only as fees may increase in future years. Actual fees payable will be the tuition fee approved for the calendar year in which the semester falls.
- > For all courses listed students will be charged an additional tuition fee where a unit (subject) needs to be repeated
- > International students in Australia on a student visa cannot study a full course via Online Learning (CRICOS registration is not applicable for Online Learning course enrolments)
- > Course details are subject to change and courses on offer are at the discretion of the University (visit www.study.federation.edu.au for current offerings, delivery locations, entry requirements etc.)
- > [teach out] course is no longer offered to commencing international students. Fee information is for continuing international students only
