## Our impact

**\$700 million**

Federation University Technology Parks generate \$700 million in annual economic activity, including 4,712 full time equivalent jobs<sup>†</sup>

<sup>†</sup> [btp.federation.edu.au](http://btp.federation.edu.au)

We drive innovation and increased industry productivity across the economy, by generating new ideas and technologies<sup>#</sup>

**\$99 million**

Federation University students spent approximately \$99 million in their campus regions<sup>#</sup>

**Federation University is part of the Regional Universities Network (RUN), comprising 7 universities sharing a commitment to transforming their regions**

**69%** of employed bachelor-level graduates

**64%** of employed postgraduate-level graduates

remain in a regional area for work. (This compares to only 24% for non-RUN bachelor-level graduates and 27% of non-RUN postgraduate-level graduates.)<sup>#</sup>
