## 2. Background

### Purpose

Select one or more of the following which is most relevant to the creation, revision or deletion of the governance document.

- |  |   |
|--|---|
| <input type="checkbox"/> Changes to legislation (both internal and external) | <input type="checkbox"/> Outcomes of internal & external audits/reviews |
| <input type="checkbox"/> Strategic Direction of the University               | <input type="checkbox"/> Significant changes to practice                |
| <input type="checkbox"/> Scheduled Review                                    | <input type="checkbox"/> No longer relevant or required                 |
| <input type="checkbox"/> Managing Risk                                       | <input type="checkbox"/> Other: <input type="text"/>                    |

**Rationale:** Here are some prompts which may help you to describe the rationale for the suggested change. Why is the new governance document needed? What gap is to be closed? Why does the document need to be revised? What issues is it intended to address? Why is the governance document to be removed?

**I have checked the existing Policy Library and a suitable document does not exist**

**I have contacted the Policy Office and they have provided appropriate guidance prior to approval**
