FEBRUARY – JUNE 2025

IN-PERSON WORKSHOP: CREATING EFFECTIVE LEARNING EXPERIENCES

DESCRIPTION

The Victorian Skills Authority (VSA) provides funding to the VET Development Centre (VDC) to deliver workforce development training to improve the knowledge, skills and practice of VET teachers, trainers and assessors, and strengthen the learning environment, experience and outcomes for all VET learners.

Creating Effective Learning Experiences is part of the 'VET Teaching Series: Practice' which has been designed as an interactive in-person workshop. This session will draw on educational theory and VET policy to promote reflective practice and build advanced training and assessment skills.

Objectives:

- Understand learning design within VET environments
- Apply teaching and learning strategies to challenge and motivate individual learners.

These are specific professional learning programs for the Victorian Government funded vocational education sector in priority areas, as a response to the Government's commitment to quality training outcomes.

LEARNING OUTCOMES:

- Create supportive learner relationships
- Use strategies to ensure learner engagement and learning outcomes in diverse environments.

AUDIENCE

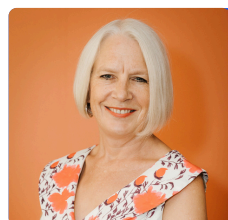

This workshop is designed for Skills First teachers (trainers and assessors) with a Skills First 2024-2025 VET Funding Contract and is aligned to the following domains and related capabilities/learning outcomes as prescribed in the VET Practitioner Capability Framework (IBSA 2013): Teaching | Assessment | Systems & Compliance

Level - Introductory (New to the topic): This session is aimed at practitioners that have a broad theoretical knowledge and practical experience of training and assessment.
