NOTES:

Course fees displayed are indicative only.

Total course fees will depend upon the student's eligibility for government funding and the combination of units selected to meet the course requirements.

Students may also be required to pay a materials fee (refer to the course information page at study.federation.edu.au). These additional costs cannot be deferred via the VET Student Loan program and they are not included in the tuition fees shown here.

General concession fees do not apply to courses at diploma level and above.

Aboriginal/Torres Strait Islander students will have access to free tuition for approved training at any level, including Diploma/Advanced Diploma level

Students undertaking a course on a full-fee basis will incur a 20% loan fee for each unit of study that is deferred to a VET Student Loan.

Fees are reviewed each year and may alter.
